

WHO we are:

LSEF is a 501 c3 non-profit organization that supports students and teachers in the LSR7 school district. We are here to provide additional resources and supplies for teachers and classrooms, pilot new programs, create additional opportunities, and fill gaps.

WHY should you give?

We're all employees of a public school system, we understand the importance of providing an excellent education, and the difference it can make.

- Your donation goes full-circle; it's an investment back into students and teachers within our District
- Funds we raise provide new opportunities, supplies, and resources
- Giving feels good (plus, it's a tax-deduction 😊)

Classroom Grants

Jessica Bruto accepts a grant to inform and engage students about real world topics and current events

WHERE your dollars go:

Your contribution will go toward our '23-'24 Funding Priorities, outlined below:

- Technology Enhancements
- Grants for teachers AND student groups
- Materials for Real World Learning opportunities (Build Projects, Investigative Science Studies, Geometry in Construction Stations)
- **NEW:** Parent Night Resource Fair & Seminar (Initiative to support student mental health and wellbeing)

Birdhouse Build Project

5th Grade Students use tools and machines to build birdhouses through hands-on learning opportunity

WHY I GIVE!

The programs they fund and help support are things that can't be met through our budget. It's a small amount that I give and don't notice every month, that I know is going toward a good cause.

-Kristen Wimberly, LFE

Deadline is September 7.
All gifts are tax deductible.
Please return to your building secretary.

HOW can I give?

There are a few ways in which you can make tax deductible contributions to support LSEF. Please indicate your preferred method on the Contribution Form.

Payroll Deduction:

You may set up an automatic deduction from your paycheck each pay period. **Please include your signature on the Contribution Form to authorize your deduction.**

If you gave through payroll deduction last year, the gift will automatically continue for this year at the same level. To make any modifications, simply hop onto Employee Online to make that adjustment.

Online Monthly Gift or One-Time Donation:

Visit www.lsefoundation.org/ways-to-give to make a one-time or recurring donation using your credit card. You may also make cash or check contributions through our office at the Stansberry Leadership Center.
